

TCF-9 Polyclonal Antibody

Catalog No	YP-Ab-02092
Isotype	IgG
Reactivity	Human;Rat;Mouse;
Applications	WB;ELISA
Gene Name	GCFC2
Immunogen	The antiserum was produced against synthesized peptide derived from human GCF. AA range:141-190
Specificity	TCF-9 Polyclonal Antibody detects endogenous levels of TCF-9 protein.
Formulation	Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.
Source	Polyclonal, Rabbit,IgG
Purification	The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.
Dilution	Western Blot: 1/500 - 1/2000. ELISA: 1/20000. Not yet tested in other applications.
Concentration	1 mg/ml
Purity	≥90%
Storage Stability	-20°C/1 year
Synonyms	C2orf3;DNABF;GCF;TCF 9;TCF9;Transcription factor 9;TCF-9;GCFC2;GC-rich sequence DNA-binding factor 2;GC-rich sequence DNA-binding factor
Observed Band	80kD
Calculated Molecular Weight	80kD
Cell Pathway	Nucleus, nucleoplasm . Nucleus, nucleolus .
Tissue Specificity	Widely expressed in tissues and cell lines.
Function	function:Factor that represses transcription. It binds to the GC-rich sequences (5'-GCGGGGC-3') present in the epidermal growth factor receptor, beta-actin, and calcium-dependent protease promoters.,sequence caution:Contaminating sequence. The N-terminus matches the 2q37.3 region.,similarity:Belongs to the GCF family.,tissue specificity:Widely expressed in tissues and cell lines.,
Background	The first mRNA transcript isolated for this gene was part of an artificial chimera derived from two distinct gene transcripts and a primer used in the cloning process (see Genbank accession M29204). A positively charged amino terminus present only in the chimera was determined to bind GC-rich DNA, thus

mistakenly thought to identify a transcription factor gene. [provided by RefSeq, Jul 2008],

matters needing attention

Avoid repeated freezing and thawing!

Usage suggestions

This product can be used in immunological reaction related experiments. For more information, please consult technical personnel.
