| <b>Isotype</b>                     | IgG                                                                                                                                                                                                                                                               |
| <b>Reactivity</b>                  | Human;Mouse;Rat                                                                                                                                                                                                                                                   |
| <b>Applications</b>                | WB                                                                                                                                                                                                                                                                |
| <b>Gene Name</b>                   | YIPF1                                                                                                                                                                                                                                                             |
| <b>Immunogen</b>                   | Synthesized peptide derived from human YIPF1 AA range: 223-273                                                                                                                                                                                                    |
| <b>Specificity</b>                 | This antibody detects endogenous levels of YIPF1 at Human/Mouse/Rat                                                                                                                                                                                               |
| <b>Formulation</b>                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                                                           |
| <b>Source</b>                      | Monoclonal, Mouse,IgG                                                                                                                                                                                                                                             |
| <b>Purification</b>                | The antibody was affinity-purified from mouse antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                                              |
| <b>Dilution</b>                    | WB 1:500-1:2000                                                                                                                                                                                                                                                   |
| <b>Concentration</b>               | 1 mg/ml                                                                                                                                                                                                                                                           |
| <b>Purity</b>                      | ≥90%                                                                                                                                                                                                                                                              |
| <b>Storage Stability</b>           | -20°C/1 year                                                                                                                                                                                                                                                      |
| <b>Synonyms</b>                    | YIPF1                                                                                                                                                                                                                                                             |
| <b>Observed Band</b>               |                                                                                                                                                                                                                                                                   |
| <b>Calculated Molecular Weight</b> |                                                                                                                                                                                                                                                                   |
| <b>Cell Pathway</b>                | Golgi apparatus, cis-Golgi network membrane ; Multi-pass membrane protein . Golgi apparatus, trans-Golgi network membrane . Late endosome membrane . Mainly localizes within medial-/trans-Golgi and trans-Golgi network (TGN), while less so within cis-Golgi. . |
| <b>Tissue Specificity</b>          |                                                                                                                                                                                                                                                                   |
| <b>Function</b>                    | similarity:Belongs to the YIP1 family.,                                                                                                                                                                                                                           |
| <b>Background</b>                  |                                                                                                                                                                                                                                                                   |
| <b>matters needing attention</b>   | Avoid repeated freezing and thawing!                                                                                                                                                                                                                              |
| <b>Usage suggestions</b>           | This product can be used in immunological reaction related experiments. For more information, please consult technical personnel.                                                                                                                                 |
